Story

Create a complete working station with the AC7040 USB-C Multiport Dock by connecting only one USB-C cable to your notebook. This dock enables you to extend your notebook with a 4K monitor via HDMI, Gigabit Ethernet connection, a USB-A port and a USB-C pass-through charging port with power delivery support. This solid aluminium multiport dock is USB powered, no external power supply is needed. Please make sure the USB-C port of your notebook supports DP Alt Mode.
